Can we have confidence that God's word really is relevant to the lives of the young people and children we reach through our churches? For us the answer is a resounding 'Yes!'

We want all those involved in church-based youth and children's work to have confidence in the Bible, to put it at the heart of their programme without embarrassment, and to believe that God can change anyone through his word.

If you help run a youth group or a children's club, teach in Sunday School or are a Christian parent wanting to support what your church does for your children, then this day is for you.

Speakers:

Nick Margesson is the youth worker at St Helen's Bishopsgate in London. Before that he was a Youth Worker at Christchurch Bromley.

David Dee is a teacher and former children's worker at St Ebbe's Church Oxford.

Andrew Sampson is a teacher and has led a number of beach missions.

Cost — £10 includes lunch and resources.

Bookstall of children's and youth work resources available.

Bring your youth group to a youth event for age 11+ at Kesgrave Baptist Church
Friday 19th September 8.00-9.30 pm.

Nick Margesson will lead the evening as a model of what a typical Bible-centred programme involves.
