

PRAYER DIARY AUGUST 2020

2nd to 8th August

As we go into the summer break we thank God for all that has been accomplished during this last academic year at CYM and praise Him for the many answered prayers. Please pray this week for the Chaplains & the wider team as they slow down and relax, especially after the unprecedented few months we have just been through. May they be refreshed spiritually, physically & mentally as they look to regain a sense of normality in these strange times.

9th to 15th August

During this week may our prayers for CYM also include the Schools & Colleges around Ipswich. We especially remember the Head Teachers as they work hard through the summer to be assured that the buildings are safe for the return of the pupils & staff in the Autumn term. For wisdom, understanding for what is expected of them and peace as they implement the necessary changes. Remember the teachers & teaching assistants that they may really find rest through this summer break.

16th to 22nd August

Life has been turned upside down during recent months and we realise for many young people life has taken on a new look. We think of them in our prayers and long to see many coming to Christ and lives transformed with the hope of knowing Jesus. Continue to pray for the Chaplains as they prepare themselves for going back into schools and colleges. May they be filled afresh and ready for the task of supporting the many pupils, students & staff that are looking for answers and security at this time.

23rd to 29th August

Pray as CYM starts to look at the new term, for a new sense of expectancy and an awareness of God's leading & guidance for what lies ahead. Please remember especially Heather Elson, Josh Goddard and Lauren Thomas as they leave CYM and start anew elsewhere, for a clear sense of God's leading in their future plans. As Kymmenne Barnes begins teaching again, please pray for help and support for her in her new role in Year 3.

Please pray for the Trustees & Simon as they guide the team; for the new School Residential Ministry role that Josh Ambrose is undertaking and for him to settle quickly in the new role and the ability to see how this new opportunity might look.
